Parish Mass at 10am to celebrate Harvest Festival

Welcome to St. Augustine. The service can be followed in special service booklets. There is a 'bring and share lunch' after today's service.

Today we give thanks for the gifts of God in creation as we praise him for the harvest. The Gospel reading reminds us of the way in which Jesus took five loaves and two fish, and turned something tiny into something great. At harvest, we also ought to share what we have, however little it may be, so that others can know, too, the generosity of God the Creator,

Please pray
